

The Morgan Masterpiece Charity Horse Show

Held at the Sunnyview Expo Center in Oshkosh, WI.

Benefitting Rawhide Youth Services, New London, WI

The Rawhide Youth Services has been our charity for 16 years, donating approximately \$54,750.00 over the show's lifetime, and \$13,000.00 over the past 3 years. Using a relationship-based approach to treatment, care and education, Rawhide works with teens and young adults struggling with mental health, emotional and behavioral changes. Rawhide incorporates an equine program into their therapy options, teaching youth how to build relationships and overcome emotional issues and trauma in a non-threatening environment. We all know how therapeutic horses are—imagine the impact on the many teens and young adults who are facing large hurdles at a difficult time in life to navigate.

Rawhide Youth Services is very involved in helping our show run smoothly, from opening gates, handing out awards, cleaning the barns and distributing bedding. Their help is very much appreciated—if you see them at the show, please thank them!
