

The Morgan Masterpiece Charity Horse Show

Benefitting the Rawhide Youth Services, New London, WI

The Morgan Masterpiece Charity Show is a class A rated show, held annually in July at the Sunnyview Expo Center in Oshkosh, WI. Rawhide Youth Services has been our charity benefit for over 16 years and we have donated over \$54,750.00 to the program.

Rawhide Youth Services is a facility that works with teens and young adults struggling with mental health, emotional and behavioral difficulties. By using a relationship-based approach to treatment, care and education, Rawhide can provide them academic and vocational training in preparation for college, independent living or returning to their families. An equine program has also been incorporated into their therapy options. Managing therapeutic horses teaches youth how to build relationships and overcome their issues and trauma in a non-threatening environment. Rawhide Youth Service is involved in helping our show run smoothly and their help is very much appreciated.

Silent Auction Donation Requests

A silent auction fundraiser held at the show helps raise money needed for show expenses and the Rawhide Youth Services benefit. The show committee is asking for your help by donating items or services which will be bid on by anyone at the show. Auction will conclude on Saturday and the winning bidders can then purchase and pick up items they won.

A wide variety of items either new, gently used or even vintage and of course anything horse related would be graciously accepted. Item ideas are travel related such as weekend getaways, experiences like spa day or local brewery tours or event tickets. Sports tickets and memorabilia have been good sales. Passes for activities like golf, skiing, or yoga classes are great. Music is enjoyed so perhaps concert tickets, backstage passes or lessons can be given. Food-related items make an appearance in most silent auctions. Gift baskets, cooking classes and restaurant gift certificates are also welcome donations.

Sincere thanks for your help from the Morgan Masterpiece Charity Horse Show Committee
